LEGACY SCHOLARS FUND

Across 50 years, fortunate students have enjoyed the gift of an O'Neal education. This scholarship is established by alumni for future alumni - ensuring the legacy of O'Neal for the next 50 years. The Legacy Scholars Fund grants financial awards toward O'Neal tuition on the basis of merit, need, and the embodiment of O'Neal's values. ■

FACULTY EXCELLENCE ENDOWMENT

O'Neal teachers thrive on excellence and embrace challenge. They give of themselves daily to deliver the best outcomes for our students, academically and personally. In turn this endowment invests in our faculty and our shared futures. We believe in recruiting and retaining professional educators with deep bases of knowledge to share. The creation of this Endowment ensures that O'Neal can invest in our teachers, each one a rich resource for our school, who directly impacts our students' daily experiences and long term successes. ■

THE CAMPUS INITIATIVES

We celebrate our growth from the first trailers nestled amid the long leaf forest to a bustling, dynamic campus unrivaled in the Sandhills. The 50 Years Campus Initiative positions O'Neal to reach yet another milestone by increasing the functionality of our already idyllic setting in the Sandhills. The long held dream of a complete Track and Field Complex will be realized and a beautiful Central Campus will be an open air center for performances, all-school events, and classroom learning. ■
