

# THE O'NEAL SCHOOL

est.1971

Being an independent private school, The O'Neal School relies on charitable donations to bridge the gap between tuition and everyday financial needs. There are many ways to give. The Annual Fund and The O'Neal Benefit are two of the most important ways you can support our school as they tend to cover the most of what tuition does not. However, there are other ways to give too.

## Seasons of Giving

### Annual Fund

Fall & On-Going

The Annual Fund is our annual campaign that helps support the programs that create a very special experience for our students. Tuition only covers a portion of the cost of education an O'Neal Student, so we rely on The Annual Fund to provide the remaining portion of our operating budget every year. The Annual Fund touches all aspects of the School, from arts and athletics to technology and faculty professional development.

### The O'Neal Benefit

Spring

This annual event has been taking place since 1972. Funds raised at The Benefit go towards specific campus improvements like security initiatives and educational enhancements such as our outdoor science lab and STEAM classes. Held in early Spring, this has become an event not to be missed. With extensive offerings in both a Live and Silent Auction, there is surely something for everyone to get excited about.

### Other Empowering Opportunities

Throughout the year

#### Falcon Club

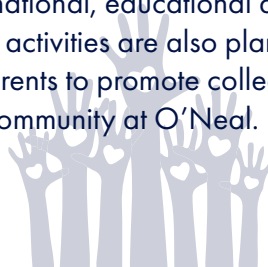

The Falcon Club is dedicated to supporting and promoting O'Neal Athletics. It strives to cultivate a sense of school spirit and a positive image of athletics.

Support for The Falcon Club continues the legacy of lifting our athletic program to new levels of excellence.

#### Parent Association

The organization's mission is to provide support and provide encouragement to the administration and faculty in their efforts to develop each student's academic and creative potential, through volunteer activities. Informational, educational and social activities are also planned for parents to promote collegiality and community at O'Neal.

#### Planned and Capital Giving

These are opportunities to support The O'Neal School's larger endeavors and scholastic projects. These can be one time donations or campaigns that run periodically to fund major campus improvements or grow endowments. These generous contributions help secure the stability of the school so O'Neal can maintain a competitive edge in today's marketplace.
